## AonAgri | Our Story

Aon is a leading provider of insurance broking, risk management and associated services in New Zealand, and around the globe.

Through access and collaboration with New Zealand's largest and most trusted insurers, we design and place insurance solutions for individuals, small to medium business, corporate business, as well as across various industries and organisations.

From Kerikeri to Invercargill, Aon is the only broker in New Zealand that has the capability to provide a local service, no matter where you are. Our dedicated teams are on hand around the country, providing service and advice on a local, regional, national and global scale.

AonAgri is a division of Aon New Zealand, and specialises in creating insurance solutions and risk management for farming and agricultural businesses. Our rural insurance brokers have a wealth of expertise and access to the best insurance products on the market, designed specifically to support heartland business owners. Whether you've been farming for years or are just starting out, AonAgri can assist you with innovative and complete cover for your unique farming and agriculture risks.

From quote to claims management, **we're with you every step of the way.**

“Be secure in the knowledge that Aon only transacts in business with leading insurance companies, who have strong financial security and superior claims paying abilities”

Geoff Blampied, CEO, Aon NZ

“We continually invest in our professional talent, technology and the development of specialised products to serve our clients with an unmatched service.”

## AonAgri | About us

### ▶ **We understand**

Your Aon broker will work with you from the outset to understand your business and your personal needs. At Aon we understand that every business is unique, and we take a pragmatic approach to ensure we can arrange the most appropriate cover for you, at a competitive price.

### ▶ **We are local**

From Kerikeri to Invercargill, Aon is the only broker in New Zealand that has the capability to provide a local service, no matter where you are. Our dedicated teams are on hand around the country, providing service and advice on a local, regional, national and global scale.

### ▶ **We are secure**

Aon is not an insurer – we are an independent broker. This allows us to focus on our clients and find the most appropriate insurance solutions for each unique business. We have relationships with New Zealand’s leading insurance companies, who have strong financial security and superior claims paying abilities, meaning we can deliver when it really matters. Our brokers act as an independent advocate with insurers to bring you the best insurance solutions, and our people are with you every step of the way.

### ▶ **We know farming**

A leading insurance broker to the New Zealand's agricultural sector, Aon knows farming. We've developed a range of insurance solutions to cover your farm, business, home, crops or livestock. Our brokers will work with you to find a solution that is unique to your needs, and our nationwide broker network means that we are never far away from where you live, work and play.

### ▶ **We work with the best**

Our expertise in agricultural business and strong relationships with New Zealand's largest insurers means we can negotiate the most appropriate terms & policies for your business - whatever that may be. We also understand that the strength of our relationships can bring a lot of value to our clients, which is why we work with some of New Zealand's most trusted and most innovative insurers.

### ▶ **We have it covered**

We can arrange a broad range of cover to a broad range of areas; from equine & bloodstock, horticulture & viticulture, apiculture and crops, through to bulls, dairy, sheep, beef & silviculture and agri retail businesses. We work with farms and agri businesses of all sizes, tailoring the most appropriate solutions for each client.
